

# Tom E. Kettler, M.D.

---

Hometown: Crockett, TX

Office Location: College Park Family Care Center, Stanley Office

Education: Undergraduate at Wichita State University, Medical Degree at University of Kansas.

Board Certification: American Academy of Family Physicians. Area of Specialty: Family Practice, Sports medicine/physicals, Endoscopy, OB/GYN, and Pediatrics.

Personal: My Christian faith was primary in my pursuit of a medical career. I enjoy helping others and the challenge of solving problems. Medicine is a great field for lifelong learning and service to others.

Core beliefs about practicing medicine: I believe in a team approach to practicing medicine.

Our staff has been working together for a long time and are committed to providing the best care possible. Involving the individual patient in their care plan is the best way I have found to be successful in the practice of medicine.

Interests/Hobbies: Family activities, sports, coaching, fishing, hunting, and medical missions.

Family: My wife, Anne Kettler, M.D., is a dermatologist at College Park. We have three children – Christian, a history major at KU, Katy, pre-med at University of Arkansas; and Colin, Kansas City Christian High School. We also have a dog, Chai, a cat, Tubby and snake, Max.

Favorite Personal Quote: “Love is Action”
