Retired from Wal-Mart Stores Inc. in 2008 as Senior Sporting Goods Buyer after 27 years of service

I am currently working for ATK/Federal Premium Ammunition as National Account Manager over strategic retail accounts for the last 4 years.

Hobbies: I am an avid bird hunter and own two English Pointers. I love to hunt in Southeastern Kansas and Northwest Arkansas for Bobwhite quail. I usually make a pheasant trip once or twice a year with my Son-in-Laws to Western Kansas. I am an NRA member and support the NRA's efforts.

I also love to fish and am a lifetime member of the FLW. I fish for many species but love to bass fish. I was on the Fish American Foundation Committee for many years and helped determine how the grant monies were distributed to build and support our nation's fisheries.

I am a father and husband of a wonderful family. My wife Donita and I have been married for 20 years. I have 4 daughters and 4 grandchildren who all love the outdoors. My daughters frequently hunt and fish with me in Arkansas and love the outdoors. My family attends First Baptist Church in Bentonville, where we serve the Lord and give him all the glory.
