With her creative eye and funky flair for fashion, combined with the love for the outdoors Norissa Harman dreamed of owning her own clothing line for years. Her drive and desire & passion brought her and cofounder Jen O'Hara together to create the hottest upcoming outdoor lifestyle apparel fashion line. Norissa dared to dream a bigger dream. As cohost of the new TV Show Universal Huntress, Norissa shows her determination and drive to not only to step outside of her comfort zone but educate herself and her fans about the importance of conservation and the serenity and love for the outdoors.
