

Robert J. Silvia

I have been involved in upland hunting for about 25 years. As a member of a few gun clubs, I shoot sporting clays and 5 stand for a hobby.

I also volunteer my time as a Hunter Safety instructor for New Hampshire Fish and Game. The classes we instruct involve gun handling safety, general hunting skills and review of hunting regulations. At successful completion participants can obtain a hunting license.

Over the years I have upland hunted in several states such as South Dakota, Wisconsin, Colorado, Rhode Island, Vermont, Maine and New Hampshire.
